

# Step by Step to Submit Your Paper Through CMT System

<p>1. Open your browser and type the CMT address as follow: <a href="https://cmt3.research.microsoft.com/User/Login">https://cmt3.research.microsoft.com/User/Login</a></p>	
<p>2. Please register if you are new to the system</p> <p>3. Fill the form to Create New Account</p>	
<p>4. You will receive an email for activation.</p> <p>Open your email and click to the requested link and your browser will be guided into the CMT web.</p> <p>Please click “Login”</p>	
<p>5. Please fill the login with your registered email and fill your password in the other column.</p> <p>Click “Login” to enter the system</p>	
<p>6. Click the tab “All Conference”</p> <p>Go to the column “type to filter” and type “icagri” to get link to the conference address</p>	

## 7. Click “+ Create New Submission”

You have to select one subject area suitable for your paper.

## 8. Fill the requested form and do not forget to upload your full paper.

If you upload an “abstract”, it will not go to the review process.

Your paper will be reviewed by the requested reviewer. Please check your CMT account regularly through the login address (above) to follow up the review process.

You will also get some email or notification during review process.

Enjoy the conference!
